Northwest for Baccalieu

*Exploring the Baccalieu
Trail*

Exhibition June 16 to 30
*Opening reception 2 - 4pm June
16th*

"Wherever you are, steer
northwest for Baccalieu."

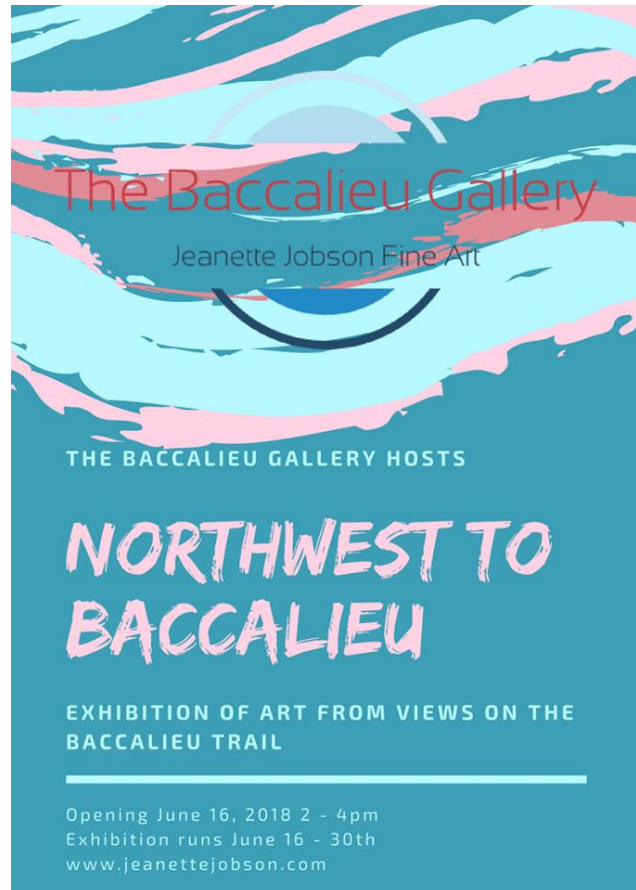

The Baccalieu Trail runs for 230 kilometers up the western half of Conception Bay and down the eastern side of Trinity Bay passing through small communities and stunning coastlines while providing artists with so much subject matter that it would take a lifetime to paint it all.

The Baccalieu Gallery is located on The Baccalieu Trail in the Registered Heritage District of Heart's Content and will host the **Northwest for Baccalieu** exhibition June 16 - 30. The exhibition will showcase the work of artists and their interpretation of the Trail.

Submissions are invited from professional and emerging artists for original art that is based on The Baccalieu Trail. All submissions will be reviewed before approval.

Deadline for submissions: May 31, 2018

Little Things

Exhibition July 14 - 28

Opening reception 7 - 9 pm July 14th

Not all paintings need to be large to have impact. Small pieces are colourful gems that fit spaces and budgets well.

The Baccalieu Gallery will host Little Things exhibition July 14 - 28 and invites artists to submit original paintings or sculptures that measure 8" x 8" before framing. Pieces must be professionally framed or on finished gallery canvas and ready to hang. If sculpture is submitted, the base must be no larger than 8" x 8".

There are no restrictions on subject for this exhibition, but we encourage continuing the aquatic theme of the gallery. All paintings will be available for sale at the same price - \$300.

Paint Heart's Content - Plein Air paint out and exhibition

The Baccalieu Gallery is excited to host its first plein air event in 2018 and invites professional and emerging artists to capture the beauty and history of Heart's Content, Newfoundland and Labrador, located on the eastern side of Trinity Bay. For those not familiar with the term *plein air*, it is a French term for painting from direct observation outdoors.

Painting days will be spread over five days (August 4 - 8th) to allow artists freedom to paint based on their schedules, to revisit locations, to continue work on a piece or have an alternative date available in case of inclement weather.

Paintings will be exhibited and available for sale at The Baccalieu Gallery from August 11 - 25 with an opening reception on August 11th from 2 - 4 pm where artists and guests can view and purchase the pieces.
